

Wisconsin Antique Radio Club

Swap Meet Report for October, 1998

We met in Milwaukee at the SDA School for the October fourth swap meet. We enjoyed seeing people from around Wisconsin and Illinois who brought their radios or just came to spend time looking.

Fickle October was kind to the group. The weather, even though it was cool, waited until the end of the meet to rain.

Fourteen registered sellers displayed items and things were in full force by 6 a.m., the official starting time.

On display were crystal sets, cathedrals, Zenith consoles, battery sets, novelties and selection of others too numerous to mention in detail. Some early Western Electric and DeForest tubes were on sale to tempt those who collect these items.

The club as is their custom provided donuts, coffee and

Cokes.

Thanks to the members who contributed their time, money, art talent and coffee pot. If you're at the next meet thank the likes of Jim Gentleman, Glenn Trischan, Ralph Larson and Dale Boyce for their faithful giving of time and effort.
