

Wisconsin Antique Radio Club

Swap Meet Report for March 29, 1998

The March swap meet at the Richfield Chalet was successful. We had eleven (11) sellers with a total of 22 tables of radios and related stuff. Sellers came from around Wisconsin including: Brown Deer, Hixon/ Eau Claire, Mayville, Menomonee Falls, Milwaukee, Oshkosh, Racine. Radio collectors from throughout Wisconsin and Illinois were also present. Eighty-three (83) non-sellers paid admission to shop.

The appraisal portion of the meet turned up a variety of radios including an early Globe one tube with two-tube amplifier reported to be the first radio in Menomonee Falls, a Corad butterscotch Catalin, an Abbotsware Heise radio, a couple of early Zenith transistors, a metal Magnavox

horn speaker, 8 - *Cont'd on Page 2*

Membership

Nine people joined the club at the March Swap Meet, bringing the total to 80 members. Thanks to all, the club is off to a good start. We are mailing newsletters only to paid members and to people who write to us requesting information about the club. We are mailing postcards with the meeting notice to potential members. The club will continue to grow as you share club information with other collectors, come to swap meets and meetings.

The date on the mailing label is the expiration date for your membership. If there is no date on the label, you have received a complimentary copy of the newsletter and we urge you to send in dues and join the club. Dues are \$12.00 per year based on the calendar year and we do not prorate the time left in the year. Send your dues payment with your name and mailing address to:

& Vintage Radios

(Cont'd from Page 1)

Yahr-Lange metal ball radio antenna, a fancy Emerson in an all wood cabinet with a door. We helped these people identify their radios and told them what the current price guide values were - when we could find them in the books. We may do this again at a future indoor meet. ■
