WARCI, INC.

The Wisconsin Antique Radio Club, Inc. exists to preserve the knowledge of radio, television, and other related technologies. We have a special interest in the history of radio in Wisconsin, radio companies, radio stations, etc. Our members' interests include radio, television, audio, microphones, jukeboxes, and antique phonographs.

WARCI Information

WARCI is incorporated in the State of Wisconsin. Annual membership dues are \$15 for each calendar year, January – December. (Allowance is now made for new members joining in September or November.)

Seller's fee at Swap Meets is \$7.00 for members, \$10 for non-members. The next Swap Meet will be held on March 20, at the Landmark / Terminal facility on Howell Avenue near the airport (see insert).

The swap meet times are 8:00AM – 11:00 AM.

Doors open at 7:00AM for set-up if we need to be inside.

WARCI News

This newsletter is the official publication of the Wisconsin Antique Radio Club, Inc. It is published four times per year, in January, May, July and September. The WARCI News is free to all paid-up club members.

The entire contents of this publication are copyright ©2016 Wisconsin Antique Radio Club, Inc. unless specifically marked otherwise. Generally, all articles in the WARCI News may be reprinted, provided specific permission is first obtained from the Editor (and copyright holder, if not WARCI) and full credit is given.

Articles or material for the newsletter are most welcome and should be sent to michaels@wi.rr.com or W220 N2716 Maplewood Ln, Waukesha, WI 53186. Include your name, address, phone, and email. PDF format (e.g. MS Word) by email is preferred. JPEG for images is preferred. Please contact Mike Sajdowitz for assistance.

Classified ads up to ¼ page are free to WARCI members.

The cut-off date for all newsletter material is about the fifteenth of the month preceding publication of the next newsletter (e.g. December 15 for the January issue.)

Rules for New Member Dues

WARCI membership runs January to December. But we do get new members joining later in the year. To accommodate them, the WARCI Board has agreed to a policy for membership dues for late joiners. From now on, if a person joins at the Sep-tember meet, we'll charge \$20 and include the following year. If a person joins at the November meet, we'll just charge \$15 and include the following year.

WARCI Website

www.warci.org

The WARCI website features information about WARCI activities, Wisconsin radio, articles, etc. Contributions are most welcome! Contact our webmaster Nick Tillich, at webmaster@warci.org. Thank you, Nick, for your great work.

Gregory W. Hunolt
(February 18, 1943 - December 2, 2015)

Gregory W. Hunolt of Plymouth, age 72, passed away unexpectedly December 2, 2015 at the Aurora Medical Center in Grafton.

Greg was born February 18, 1943 in Chicago, the first of three sons of Glenn and Elaine (Rogers) Hunolt. He grew up in the Chicago and St. Louis suburbs, developing an early interest in science and space travel. He earned a degree in meteorology at St. Louis University, and took graduate courses there as well.

During his career, he worked for the Navy, the National Oceanic and Atmospheric Administration (NOAA) and finally the National Aeronautics and Space Administration (NASA) in the Washington, D.C. area. Although usually not an enthusiastic traveler, Greg enjoyed overseas trips during his NASA career to work with his space agency counterparts in cities including London, Rome, Munich and Tokyo.

It was while working in Washington, D.C. that he met his wife, Jean Ann Blanke, who he married in 1983. After he retired, he and Jean Ann moved back to her beloved family home in Plymouth.

Greg was a man of many interests who believed he never could be bored in retirement. He read widely in history, philosophy, religion and, of course, science fiction.

He was an avid collector and researcher of antique radios, particularly tube radios from the 1920s. He was past president of the Wisconsin Antique Radio Club, and was active in similar radio clubs in Illinois, Minnesota, Michigan, and Maryland. He was the editor of the Wisconsin Antique Radio Club newsletter and contributed articles, both scholarly and light-hearted, to radio journals across the country. He is the author of the Battery Set Compendium, which is a valued resource for radio collectors and researchers of antique radios.

Greg loved music of many types, ranging from classical to bluegrass to jazz. He was a great fan of cats, even though he was profoundly allergic to them.

Over the past several years, Greg was bothered increasingly by rheumatoid arthritis, but was positive and uncomplaining, determined to live life to the fullest. He was active with a full schedule until the day of his death.

Greg is survived by his wife, Jean Ann, of Plymouth, and his two brothers, Philip and Jon, who live out of state. He is further survived by sisters and brothers-in-law Peggy and Jay Ellis of Plymouth, and Julie and Don Gonzo of Port Washington. He also is survived by his great friend and antique radio colleague Dale (Chris) Boyce of Milwaukee, and nieces, nephews, and many friends.

WARCI HEADLINES

January Meeting Notes

As you all know by now we lost Greg Hunolt on December 2, 2015 at the age of 72. Check out a full-page spread on page 3 of this newsletter. We had a good turnout at the January meet, windy and cold at 17 Deg but warm and cozy inside at 70 Deg. We had 12 sellers, and a count of 58 people at the meet by 9 AM. The Club took in \$26.50 from the 50-50 raffle. More hats, polo shirts, T-shirts, and sweatshirts were sold totaling \$115.00. The pizza was cooked by W.G's and was delicious.

March Meeting Notes

We had a better turnout for the March meet with 18 sellers and a attendance of 61 by 8:30AM. There was no 50-50 raffle because we were short handed for the meet missing 2 staff members. The club sold another \$21.00 in sales and the donation auction brought in \$51.00. The club has 2 more memberships and 6 renewals bring our total membership to 92, and Joe's great pizza.

Life Memberships

The WARCI board approved a lifetime membership for Jean Ann Blanke, wife of the late Greg Hunolt.

May Meet

WARCI's May meet will be held in the parking lot of the Landmark (weather permitting). It will again feature the 50-50 Raffle, donation auction, and Joe's staff will provide the excellent pizza after we have a meet.

Looking Ahead for 2016

Mike Sajdowitz who right now is your club secretary, and photo photographer, will be taking on the role as WARCI Newsletter Editor also. The newsletter is going to small in the beginning but will grow as I become more associated with Microsoft Publisher. So and comments, photos, articles etc. you want, let me know. Previous newsletter advertisements will also be added.

Site Plan for the Landmark / Terminal

Thanks to Joe Halser for hosting WARCI Meets

The Landmark 1850 / Terminal facility is used for WARCI's swap meets (except in January) with the kind permission of Joe Halser (and we also enjoy the delicious Pizza that Joe provides).

The Landmark area is used for outdoor meets held on good weather. The Landmark building is open for refreshments.

The Terminal area is used for indoor meets in rainy or cold weather (though some folks may set up in the Terminal parking area even if the weather is marginal).

The facility in use at a swap meet will be open at 7:00 AM. Folks may come earlier to set up for outdoor selling.

Site Plan drawing provided by Dale Boyce.
